- ◇ **GUILFORD ELEMENTARY IS A TITLE I SCHOOLWIDE PROGRAM SCHOOL.** Title I programs at each school will vary, depending on the needs of the school. Every child may benefit from the added services and programs that a school-wide Title I program can offer. Such a program helps a school do more for all of its students.
- ◇ **OUR SCHOOL STAFF IS COMMITTED TO:**
 - ◆ Communicating with parents and students regarding academic progress, attendance and behavior through interim reports and report cards (four each per year), parent/teacher conferences (Nov. 25, 26 and 27, 2019, and Feb. 13 and 14, 2020), Wednesday folders (weekly), GES newsletters (biweekly), agenda book/homework folders (daily), and notes/phone calls/emails as needed. Interpreter services and translation of documents are always available.
 - ◆ Offering parenting workshops and in-services on topics promoting the academic achievement of their children. See the attached calendar of events, and please post at home for future reference.
 - ◆ Establishing firm and fair behavior expectations that will reward positive learning behaviors (school-wide PBIS program.)
 - ◆ Providing high quality curricular experiences as we implement Maryland's College and Career-Ready Standards (MDCCRS). See our "Partners in Learning" on the flip side of this paper.
- ◇ **EXTENDED DAY PROGRAM:** Some of our children will qualify for an educational opportunity that extends beyond the regular school day. It is the BRIDGES Program, an after school program that focuses on math skills for students in grades 3-5. Students are involved in hands-on, engaging enrichment activities and receive academic support. (BRIDGES is funded by a 21st Century CLC grant.)

Volunteer Opportunities

There are volunteer opportunities available at Guilford—Fall Festival, PTA, Classrooms, Field Trips. Let us know if you are interested!

GES Partners in Learning Compact and Plan

Our Goals for Student Achievement

This plan has been developed by the staff, students, and families of GES and distributed to the parents of all GES students.

Guilford Elementary School Goals

Guilford administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

For the 2019 - 2020 school year, GES will focus on the following areas:

Math – counting, sorting, and building numbers

Reading – reading, writing, speaking, and language skills

****See our entire School Improvement Plan on our school's website: <http://ges.hcpss.org>.****

Parents, check off the goals that you would like to focus on for this half of the year.

AT SCHOOL, WE PROMISE TO:

- ◇ Allow students to learn through interactive play.
- ◇ Provide a safe and positive environment so that students can learn.
- ◇ Provide ways for parents to support their students' achievement.
- ◇ Provide family programs and materials to help parents understand the MD College and Career Ready Standards and to help students with at-home learning.

AT HOME, YOU PROMISE TO:

- ◇ Make sure that your child attends school on time and every day, and gets adequate sleep and proper nutrition.
- ◇ Read aloud and provide books for your child, and to talk to your child about what they read.
- ◇ Practice counting with your child 2-3 times a week.
- ◇ Look at the Daily folder and review the work each week to check on your child's progress.
- ◇ Attend family programs, Back To School Night, and Parent Teacher Conferences to help monitor your child's progress.
