September 26,2016

Dear Parents,

Guilford Elementary School and the Community Based Learning Center will participate in the Maryland MESA program again this year. MESA is a program that prepares students for careers in mathematics, engineering, science and technology. It also gives students an opportunity to demonstrate their knowledge, skills and abilities.

Students in grades four and five will have the opportunity to participate in the MESA program at no cost. Meetings for MESA will be held on Fridays from 4:00pm pm to 5:30pm beginning October 7,2016. Parents, you are responsible for picking your child up on time. We will provide a snack for your child.

Please discuss MESA with your child to see if they are interested in becoming a part of this exciting program. Applications, Parent Permission/Media Release Form and our MESA meeting dates will be sent home on October 5,2016.

Parents, please return the application form completed and the Parent Permission/Media Release signed with your student on October 7th. This will be our first MESA meeting. If you have any questions, stop by on October 7th after school.

Please feel free to contact me with any questions or concerns. Thank you once again for being part of our MESA team this school year.

Educationally,

Ms. Drake
Mrs. Wright
Mrs. Lambert
MESA Teachers
